A first impression

In one of the most desirable locations in San Candido, nestled in the quiet and beauty of the Dolomites, is this prestigious mountain apartment that combines authentic alpine style, fine materials and extraordinary panoramic views of the valley.

Located on the second floor of a well-kept residence, the property stands out for the great brightness of its rooms and its privileged exposure that offers spectacular views of the surrounding alpine landscape. The apartment has been renovated with great attention to detail and enhanced by elegant custom-made furniture, made with natural materials and high-quality woods that give the spaces a warm and refined atmosphere.

The heart of the house is represented by a large open-plan living area that houses the living room and dining room, designed as a place for conviviality and relaxation. The high-quality wooden kitchen integrates harmoniously with the environment, while the traditional alpine living room creates a cozy corner and is already prepared for the possible installation of a fireplace, perfect for making winter evenings even more atmospheric.

The sleeping area includes two bedrooms, designed to offer comfort and tranquility, and an elegant bathroom with shower.

Outside, a terrace and a south-facing balcony allow you to fully enjoy the spectacular view of the valley and the sunshine that accompanies the day, turning every moment into a unique experience among the mountains.

A covered parking space, an outdoor parking space and a cellar complete the property.

A rare property, ideal as an exclusive vacation home in the Dolomites or as a prestigious investment in one of the most sought-after locations in Val Pusteria.
