A first impression

This recently renovated two-room apartment is located on Piazzetta del Bersaglio, in a convenient and well-connected part of Bolzano. The renovation was carried out with particular attention to the functionality of the spaces and the quality of the finishes, giving the property a modern and elegant look. The apartment features a well-planned layout and has two separate entrances. The interior includes a master bedroom, a cozy living area with an open kitchen, a practical storage closet, and a bathroom with a window. Thanks to its excellent orientation and large windows, all rooms benefit from superb natural light, making the apartment particularly bright and pleasant to live in.

The property is complemented by a private outdoor area, which can also be used as a parking space—an added bonus that ensures greater convenience in daily life. The combination of the recent renovation, the brightness of the rooms, the functional layout, and the outdoor area makes this property a particularly attractive housing option in one of the city's most sought-after neighborhoods.
